Dear Mr. Borrell:

Re: Annual Report for the Year 1992, AUMCO Claims #1 & #2, S/039/001 and S/039/004, Sanpete County, Utah

The enclosed annual report(s) for the above referenced mine(s) should be completed and returned to this office by February 1, 1993. As you may recall, last year we sent you a letter requesting that you provide completed reports for two mine sites we had on record for Peak Minerals, Inc. (AUMCO Claims #1 & #2). Your February 8, 1992 letter indicated Peak Minerals has no Operations Permit numbered S/039/004, for AUMCO Claim #2.

Apparently there is some confusion on the two operations this Division has listed under Peak Minerals, Inc. Enclosed you will find a copy of a Notice for the AUMCO Claim #2, which you submitted to the BLM in March, 1991. The BLM provided us with a copy of this notice in April, 1991, which we acknowledged by letter May 22, 1991. Peak Minerals was copied with this acknowledgement letter. Consequently, we assigned a new file number S/039/004 to this notice/project. If this was in error, would you please review the attached enclosures and advise us accordingly? We will update our records as appropriate. Thank you for your cooperation and attention to this matter.

Sincerely,

D. Wayne Hedberg

Notice to Claimants/Operators:

1. A notice submitted in relation to the 43 CFR 3809 regulations does not require approval from the BLM. However, notification of such activities shall be made at least 15 days before commencing operations. Approval of a submitted plan of operations is required from the BLM prior to commencing operations. The BLM will promptly acknowledge receipt of a plan and will notify the claimant/operator of the status of the plan within 30 days of receipt.
2. Approval of a plan of operations does not constitute certification of ownership to any person named as claimant/operator herein, nor does approval constitute recognition of the validity of any mining claims named herein.
3. Information and data submitted and specifically identified by the operator as containing trade secrets or confidential or privileged commercial or financial information should be attached to a separate page and cited in the text of the notice or plan of operations. This information will be filed separately by the BLM and will not be available for public inspection.
4. Failure of an operator to file a notice under 3809.1-3 or a plan of operations under 3809.1-4 will subject the operator, at the discretion of the authorized officer, to being served a notice of non-compliance or enjoined from the continuation of such operations by a court order until such time as a plan or notice is filed with the authorized officer.

Attn: Wesley Emerson

Dear Mr. Emerson:

Your notice to conduct mining related operations on your AUMCO claims, UMC Nos. 161797-99, 161807, 161802-03, 161805 and 161799 in T. 16 & 17 S., R. 1 W., has been received and accepted by this office. Your notice has been assigned case file number UT056-91-3N, and you are requested to reference this number in any future correspondence about this notice.

If you change your operation from what is described in your notice, please contact this office prior to the change. If your operations extend for more than one year, please advise this office of the status of your mining related activity on the anniversary date of your notice.

A copy of your notice will be forwarded to the Utah Division of Oil, Gas and Mining (DOGM); thus, you will not have to file this notice with DOGM. However, reclamation under this notice is required to conform to standards of the Utah Mined Land Reclamation Act. Also, all mining claimants and operators that plan to use, store, or divert water are required by Utah statute to notify the Utah Department of Water Resources at:  
1636 West North Temple  
Salt Lake City, Utah 84180-1203

As required by 43 CFR 3809 Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please notify this office upon completion of operations and reclamation, so an inspection may be conducted on the site.

Acceptance of your notice will not now, nor in the future, serve as determination of the validity nor ownership of any mining claim included under your notice.

Thank you for submitting your notice. If you have any questions, please contact Doug Thurman at 801-896-8221.

Sincerely,

*J. Frederick Lister*  
Area Manager
